#### Throwing Away Good Money

There are farmers in Mississippi  
who are throwing away good  
money because they pay no at-  
tention to the guarantees on  
fertilizer and commercial feed-  
ing that they are buying. I  
know this to be a fact from let-  
ters recently received at this

office.

For instance there are two  
grades of cotton seed meal au-  
thorized by law and "High" is  
worth approximately \$3.00 more  
than "Prime". How many buy-  
ers pay any attention whatever  
to the grades when they go to  
buy? Very few indeed, and not  
to do so is a serious mistake.

Cotton seed meal that does not  
run as high as 6.18 per cent. of  
nitrogen must not be branded  
cotton seed meal, but "Cotton  
seed feed" or a "Mixture of  
cotton seed meal and cotton seed  
hulls." That is what the law  
says and the manufacturers and  
dealers are within the law when  
they offer it on the market.

"Prime" cotton seed meal  
must contain not less than 6.18  
per cent. nitrogen, or if stated  
in feeding value, not less than  
39 per cent. of protein. This  
grade is selling from \$28.00 to  
\$30.00 per ton, possibly retailing  
for something above this figure.

A sample of a popular "Cotton  
Seed" feed was sent to the  
State Department some days ago  
that guaranteed 20 per cent. of  
protein and the man who bought  
and used it paid \$25.00 per ton.  
If "Prime" meal with 39 per  
cent. of protein was worth \$30.00  
what was this feed worth?

That feeder was paying almost  
twice what the feed was worth  
and all because he paid no at-  
tention to the guarantee on the  
tag or sack. It is possible that  
he bought the "feed" and  
thought he was getting cotton  
seed meal. They look very  
much alike. The manufacturer  
or dealer who will sell the "feed"  
meal for cotton seed meal is sub-  
ject to, and should be, prosecu-  
ted.

A recent bulletin by the State  
Department of Agriculture at  
Jackson explains this matter and  
can be had for the asking. The  
people must wake up to the im-  
portance of knowing what they  
buy and insist on getting what  
they pay for.

H. E. Blakeslee,  
Commissioner.

#### \$100 Reward, \$100

The readers of this paper will be  
pleased to learn that there is at least one  
dreaded disease that science has been  
able to cure in all its stages, and that is  
Catarrh. Hall's Catarrh Cure is the only  
positive cure now known to the medical  
fraternity. Catarrh being a constitutional  
disease, requires a constitutional treat-  
ment. Hall's Catarrh Cure is taken in-  
ternally, acting directly upon the blood  
and mucous surfaces of the system, there-  
by destroying the foundation of the dis-  
ease, and giving the patient strength by  
building up the constitution and assisting  
nature in doing its work. The proprietors  
have so much faith in its curative pow-  
ers that they offer One Hundred Dollars  
for any case that it fails to cure. Send  
for list of testimonials.

Sold by all Druggists. Take  
Hall's Family Pills for constipation.

#### Why?

Well, why does a "shoemaker's child  
never have shoes?" Why does the  
average architect live in an ugly and  
poorly planned home? Why does the  
modish dressmaker usually look  
dowdy? Why is the lecturer on the  
"Duties of a Mother" always a spin-  
ster?

### Calomel Today, Sick Tomorrow

Dose of nasty calomel makes you  
sick and you lose a  
day's work

Colomel salivates! It's mercury.  
Calomel acts like dynamite on a slug-  
gish liver. When calomel comes into  
contact with sour bile it crashes into  
it, causing cramping and nausea.

If you feel bilious, headachy, con-  
stipated and all knocked out, just go  
to your druggist and get a 50 cent  
bottle of Dodson's Liver Tonic, which  
is a harmless vegetable substitute for  
dangerous calomel. Take a spoonful  
and if it doesn't start your liver and  
straighten you up better and quicker  
than nasty calomel and without mak-  
ing you sick, you just go back and  
get your money.

If you take calomel today you'll be  
be sick and nauseated tomorrow; be-  
sides, it may salivate you, while if you  
take Dodson's Liver Tonic you will  
wake up feeling great, full of ambition  
and ready for work or play. It's  
harmless, pleasant and safe to give to  
children; they like it. adv.
